Targets for power generation during Tenth Plan

381. SHRI C.RTHIRUNAVUKKARASU: Will the Minister of POWER be pleased to state:

(a) the details of the power generation capacity targets fixed for different States for the Tenth Plan Period;

(b) whether Government have formulated any strategy to achieve the targets by States;

(c) if so, the details thereof;

(d) whether the matter has been discussed at the recently held State Power Ministers' meet at New Delhi;

(e) if so, the view of States on achieving the target; and

(f) the reaction of Government thereto?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) A target of 11156.85 MW has been set for State Sector for capacity addition during 10th Plan. The State-wise details are given in the statement enclosed, (*see* below)

(b) and (c) In order to ensure that the targeted capacity during 10th Plan is achieved, the monitoring mechanism has been strengthened. The Central Electricity Authority has a nodal officer for each project, both at the conception stage as well as during execution. In addition, regular review meetings are being organized in the Ministry of Power. The Ministry is also facilitating States in obtaining earlier clearances,

resolving major bottlenecks and providing financial assistance through Power Finance Corporation (PFC)/Rural Electrification Corporation (REC).

(d) to (f) Out of the Tenth Plan target for capacity addition in the State Sector projects totaling 1418 MW have already been commissioned and projects totaling 5076.69 MW are under execution. Remaining projects are under award/investment decision. In the Power Ministers' Conference, various States committed to place awards and start work on all the remaining power projects within 2003-04 to ensure completion of these projects by the end of 10th Plan.
